

## Crocheted Bag

Paula McKinlay 756-0163

I don't usually join too many strips in advance so I can control my scrap look.

Chain 6. Join with slip stitch to form ring.

Rnd 1: Work 2 sc in each ch. Do not join, work in spiral method.

Rnd 2: work 2 sc in every other sc and sc crochet in between the increase stitch

Rnd 3: sc in 2 stitches and then 2 sc in one stitch all around

Rnd 4: sc in 3 stitches and then 2 sc in one stitch all around

Rnd 5: sc in 4 stitches and the 2 sc in one stitch all around

Rnd 6: sc all around and continue until as tall as you want. Mine has 17 Rnds.

Handles: mark two halves. Chain 22. Skip 6 sc. Work the top of the bag and just before opposite half chain 22 again and skip 6 sc, attach and work around sc on top of chain, work top of bag and sc in chain. End and bury you end.

\* I didn't major in pattern writing just designing. Sorry for the confusion.
