There are several ways to make this 9 1/2" unfinished block.

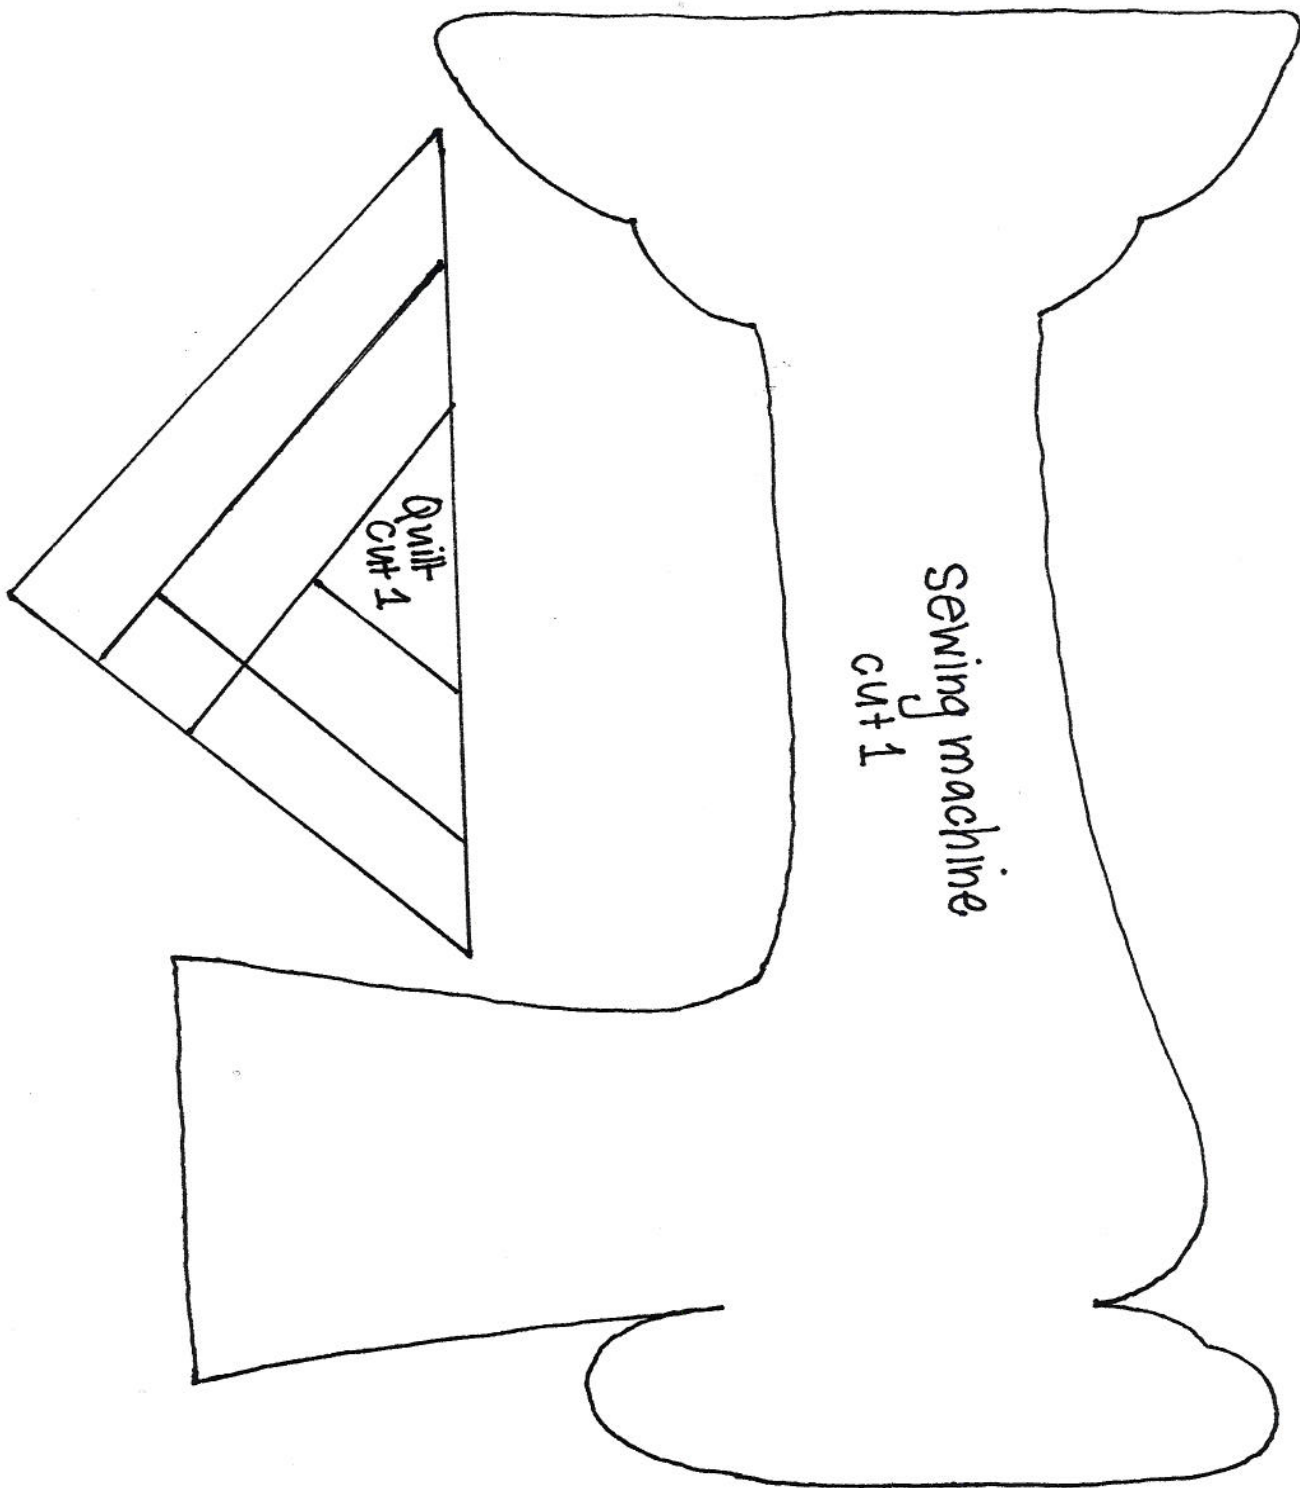

1. Trace patterns onto freezer paper making templates. Iron templates onto fabric and trace around templates. Trim 1/8"-1/4" around traced line. Needle turn appliqué.

2. Trace patterns onto wonder under. Iron onto fabric and cut out on the line. Iron onto background fabric and blanket stitch on the machine or by hand.

The mini quilt are 1" strips pieced together. Cut to size using the template for the quilt. Embellish with buttons and embroidery floss. Have fun!
